

Enhanced O&A Data Sheet - Enclosures MD										Date Entered: 05/05/2024		By: [Name]		Date Entered: 05/05/2024		By: [Name]	
Project Information										Project Name		Project Number		Project Manager		Project Status	
Enclosure Details										Enclosure Type		Enclosure Size		Enclosure Location		Enclosure Condition	
Insulation Details										Insulation Type		Insulation Thickness		Insulation R-Value		Insulation Installation	
Ventilation Details										Ventilation Type		Ventilation Rate		Ventilation Filter		Ventilation Maintenance	
Air Quality Details										Air Quality Index		Air Quality Test Date		Air Quality Test Results		Air Quality Action	
Moisture Details										Moisture Level		Moisture Test Date		Moisture Test Results		Moisture Action	
Temperature Details										Temperature Level		Temperature Test Date		Temperature Test Results		Temperature Action	
Airflow Details										Airflow Rate		Airflow Test Date		Airflow Test Results		Airflow Action	
Sound Details										Sound Level		Sound Test Date		Sound Test Results		Sound Action	
Lighting Details										Lighting Level		Lighting Test Date		Lighting Test Results		Lighting Action	
Security Details										Security Level		Security Test Date		Security Test Results		Security Action	
Energy Details										Energy Consumption		Energy Test Date		Energy Test Results		Energy Action	
Maintenance Details										Maintenance Schedule		Maintenance Test Date		Maintenance Test Results		Maintenance Action	
Compliance Details										Compliance Status		Compliance Test Date		Compliance Test Results		Compliance Action	
Notes										Notes		Notes		Notes		Notes	
Summary										Summary		Summary		Summary		Summary
